

We see eye care differently

VISION ESSENTIALS BY KAISER PERMANENTE

At Kaiser Permanente, eye care means more than just prescribing glasses and contact lenses. Our team of experienced eye care professionals will work closely with you to keep your vision sharp and your eyes healthy.

As a member, your eye health information becomes part of your complete medical record, which helps you and your medical team get a total picture of your health.

And remember that regular eye exams can detect not only vision problems, but also certain health conditions.

Schedule your comprehensive eye exam today by visiting kp.org/2020 or calling **800-777-7902** (TTY **711**), 24 hours a day, 7 days a week.
